

coharo coatings **MARBLE FINISH**

PRODUCT OVERVIEW

Coharo Coatings Marble Finish creates a sophisticated, timeless, elegant aesthetic, emulating the appearance of marble. As there is no aggregate, Marble Finish is extremely fine providing a smooth finish transparent film.

The versatility of Coharo Coatings Marble Finish allows you to create dynamic looks by using different colours. Pearls and Metallics are also available.

Coharo Coatings Marble Finish is designed for use as a finishing coat and should be used over a smooth base coat, such as Coharo Coatings Smooth Coat.

Coharo Coatings Marble Finish can be applied in clear or colours over Coharo Coatings Concrete Finish to create a sealed polished plaster look.

FEATURES AND BENEFITS

- Ready to apply
- Touch dry in under a minute
- Very high water resistance
- Washable once cured
- Can be applied in multiple coats to create depth
- Easy to maintain

SPECIFICATIONS
